

**PFITSCHER**

FAMILY WINERY SINCE 1861

QUALITY WINES FROM ALTO ADIGE

## DIE PFITSCHERS

Weinnarren seit eineinhalb Jahrhunderten und noch kein bisschen müde.

Bei uns macht die ganze Familie gemeinsam Wein. Wir stehen für klare, geradlinige Weine aus hohen Lagen. Durch das kühle Klima erhalten sie Ausdruck, Finesse und eine ganz eigene Identität.

## I PFITSCHER

Un secolo e mezzo di passione e pieni di entusiasmo come il primo giorno.

Nella nostra famiglia, due generazioni di viticoltori lavorano e vivono insieme. I nostri vini sono espressione di chiarezza e linearità provenienti da vigneti in alta quota. Grazie al clima fresco raggiungono intensità, finezza e una particolare identità.

## THE PFITSCHERS

Fired with enthusiasm for a century and a half with no signs of slowing.

Two generations live, work and make wine together here. We stand for clean, straightforward wines coming from high altitude vineyards. Thanks to the cool climate they get expression, finesse and their own identity.

WINE IS WORK.  
WE LOVE BOTH.

## DER NATUR ZULIEBE

Wie aus dem Weingut Pfitscher die erste KlimaHaus Wine-Kellerei Italiens wurde?  
Ganz einfach: wir wollten im Einklang mit der Natur leben und arbeiten. Für ein möglichst natürliches und ehrliches Produkt.

## PER AMORE DELL'AMBIENTE

Come ha fatto la Cantina Pfitscher a diventare la prima cantina certificata CasaClima Wine d'Italia? Semplicissimo: con la nostra volontà di vivere e lavorare in armonia con la Natura. Per un prodotto il più possibile naturale e genuino.

## PROTECTING OUR PLANET

How did Pfitscher come to be the first winemaker with a CasaClima Wine accreditation in Italy? Simple: we wanted to live and work in harmony with nature. To create a product that is as natural and authentic as possible.
